A STORY about dyed-in-the-chiffon New Yorker **Colette Lumiere**: Pack ing up after exhibiting at Destination Art Space in the Meatpacking District, this artist suddenly realized the movers were a no-show. Also suddenly a no-show? Her **Rufus Wainwright** portraits. Now, while we all love Rufus Wainwright, why someone would only steal his likeness and none of her other work is not clear. Currently prepping for her April 2 exhibit "Girtalk" at Chelsea's Pavel Zoubok Gallery, a reward's offered for anyone who sees a 9-by-14 Rufus Wainwright anywhere.
